

Vegelya Morpho Pillow

- 855035

- **Standard height 11 cm or higher 13 cm**
- **Ultra-comfortable Tencell cover**

The Vegelya Morpho pillow has two surface modules and a removable 2 cm thick intermediate module. This allows it to be used at two different heights : 11 or 13 cm.

The 13 cm height is particularly suitable for tall people or those with a pronounced neck curve.

Its anatomical shape allows the neck and head to be comfortably supported.

Perforated viscoelastic foam for better air circulation.

The Tencell honeycomb cover adds comfort when positioning.

Comes with a handy Velcro cover for rolled-up transport when travelling.

Dimensions : width 60 x depth 40 x height 11 or 13 cm.
Weight : 1.8 kg.
