Sacrum cut-out seat cushion

- 855179

- **Anatomical shape**
- **Very firm cushion**
- **Perfect weight distribution**

These corrective cushions are made from high-density viscoelastic foam, which distributes weight perfectly and provides firm support. The firmness corrects posture on any existing seat.
The cushions are covered with black velvet, which is removable and machine washable at 30°C. 100% cotton protective cover. Multi-pad non-slip underside.

The Identités sacrum-shaped seat cushion is specially designed for people with coccyx pain. Anatomical shape of the buttocks with abduction at the front. Cut-out at the back. Equipped with a carrying handle.
Dimensions : width 45 x depth 35 x height 7 to 11 cm.
Weight : 752 g.
