

Foam cushion

- **High stability**
- **Very firm support**
- **Perfect weight distribution**

Our corrective cushions are made of a high density viscoelastic foam, allowing a perfect weight distribution, with a very firm support. This firmness allows you to correct your seat on any existing seat.

They come with a black velvet cover, removable and machine washable at 30°. Undercover 100% cotton. Non-slip multi-pad underside.

Circular cushion with central recess for relief of the sacrum with strong stability. Equipped with a carrying handle. Dimensions: diam. 44 x height 9.5 cm. Recess 15 x 17 cm. Weight 630 gr.
