

## ERGO COMFORT EXERCISE MAT

- **Soft and dynamic mat**
- **With suspension loops**

Our Ergo Comfort mat allows you to perform your rehabilitation, fitness and yoga exercises with exceptional comfort. The NBR foam is very resistant to abrasion, washable and easily disinfected. Due to its 15 mm thickness, it offers pleasant and dynamic flexibility.

The suspension eyelets allow the mats to be hung on standard supports.

Dimensions : Length 180 x width 60 cm. Thickness 15 mm.  
3 colours available.

**Variantes :**

- Blue
- Red
