- **Easy-to-use rollator with 2 swivel front wheels**
- **Foldable and lightweight, weighing only 3.2 kg!**
- **Comfortable seat and handles**
- **With brakes already installed**

The ARA-D Plus rollator with two swivel wheels is an upgrade of our ARA-D model. It is very easy to handle and safe due to its rear skids and multi-directional front double wheels with rear brakes. The frame of this rollator is folding, making it ideal for transport and storage. Includes a seat and 2 comfortable handles for easy standing up. Anatomically shaped handles. Aluminum frame and thermoplastic parts. Available in 3 colors : pistachio, turquoise, and blue. Made in Europe.
