Heated support belt

- 861030

- **3 heating temperatures : 40°C / 50°C / 60°C**

This belt provides comfortable support with five lumbar reinforcements, allowing users to maintain good posture. Its main heating function relieves and relaxes the lumbar region and the entire back. Measuring 140 cm in length, it can be adjusted to fit all body types with its tightening straps. Discreet and comfortable, users will forget they are wearing it. Its 5000 mAh power bank means it can be taken anywhere (1.5 hours of battery life).

Maximum waist size : 130 cm.
100% polyester.
Dimensions : Length 140 x width 20 cm.
