

## JOY RIDER FOLDING POWER CHAIR

- 874024

- **Unfolds and folds in 2 seconds**
- **Splits in 2, becoming lightweight with the heaviest part weighing only 12.1 kg**
- **Small and compact : comfortable and easy to use**

The New Joy Rider is very safe, can be driven at a maximum of 6 km/h (and a minimum of 2 km/h) and has a range of 17 km (manufacturer's test). The wheelchair benefits from an intuitive steering system: due to the two combined motors linked to the rear wheels, the joystick ensures smooth and safe steering.

Its quick separation system allows easy storage in a car boot : motor unit 12,1 kg, seat 9 kg and battery 1,8 kg.

Functional, simply lift the Joy Rider to deploy and it automatically locks into position to sit down, ready to go. The Joy Rider has a folding aluminium frame with a folding footrest and a nylon mesh seat with a comfort cushion. It also has safety devices: anti-displacement, anti-tilt, electromagnetic locking brakes.

2x200W brushless motor, DC24V lithium battery. Max slope 12°. Front 6 inch solid tyres / rear 10 inch pneumatic tyres. Dimensions in use: width 64.5 x depth 85.5 x height 91 cm. Folded: 111,5 x 64,5 x 32 cm. Width between armrests 50 cm. Seat dimensions: width 49 x depth 40 x height 46 cm. 46 cm.

Blue colour.

Resistance 120 kg
