UpCup Cup

- 813071

- **Equipped with 2 handles**
- **V-shaped interior design reduces arm movement**

The Up Cup has very specific features to suit all users : the practical tulip-shaped spout, the internal V-shape, the 2 handle supports, and the serrated exterior for a better grip. Its double wall limits heat transfer. Made from transparent Tritan plastic.
Dishwasher safe. Not suitable for use in the microwave.
Made in Europe

Capacity : 20 cl.
