

UpCup Cup

- 813071

- Equipped with 2 handles
 V-shaped interior design
- V-shaped interior design reduces arm movement

The Up Cup has very specific features to suit all users: the practical tulip-shaped spout, the internal V-shape, the 2 handle supports, and the serrated exterior for a better grip. Its double wall limits heat transfer. Made from transparent Tritan plastic.

Dishwasher safe. Not suitable for use in the microwave. Made in Europe

Capacity: 20 cl.

Dimensions: height 14.5 x depth 10 x width 7.6 cm.

Weight: 124 g.

Date d'impression : 31/10/2025
