

NEST reclining armchair

- Fabric - 821159.TISSU

- Leather - 821159.CUIR

- **3-motor armchair**
- **Elegant design, space saving**
- **330° swivelling structure**
- **Headrest adjustable forwards and backwards**

Our recliner will look great in any home with its distinctive design and premium features. It is equipped with 3 motors for independent adjustment of the backrest and footrests, and a motor to position it in a very comfortable zero gravity position. The chair can swivel 330° when in the sitting or reclining position, but locks upright when it starts to rise. Lift function with progressive extension of the leg rest, relax function with different inclinations, zero gravity function. Manual headrest adjustment. Wired remote control with side storage pocket.

Its wrap-around shape ensures excellent back support and exceptional comfort.

Elegant matt black 4-star base.

Battery option: the chair is supplied with a mains plug. It is compatible with the battery option, available separately.

This battery makes the chair self-sufficient, simply by placing it at the back of the chair.

2 covers to choose from:

- High-quality, abrasion-resistant beige fabric.
- Leather + TPU macchiato colour (the leather is positioned on all contact surfaces: back, seat and armrests).

Overall dimensions: width 76 x depth 82 x height. 117 cm.

Weight 55 kg.

Seat dimensions: width 47 x depth 50 x height 49 cm.

130kg resistance
