- **Premium lightweight rollator**
- **Low-pressure braking system**
- **Azure blue color : only available while stocks last**

The Stylus rollator allows users to walk outdoors with secure support and lightweight comfort. The height of the soft, anatomically shaped handles can easily be adjusted using an indexing system.

It is equipped with a comfortable backrest, a walking stick holder, sidewalk ramps, a removable carrying bag, a locking system when folded, and two non-slip TPE wheels.

Available in two sizes (M or L).

Colors: matt champagne, red, azure blue or violet. Blue and purple are only available in size L.

Overall dimensions :

- Size M : width 61 x depth 67 x height of handles 67 to 86.5 cm in 7 positions.

- Size L : width 61 x depth 67 x height of handles 75 to 99.5 cm in 10 positions.

Seat dimensions :

- Size M : width 44 x depth 20 x height 53 cm.

- Size L : width 44 x depth 20 x height 60 cm.
