

Linido toilet grab rail

• Locking system in raised position

The Linido folding grab bar not only provides support for sitting down and standing up from a toilet or shower seat, but also for lateral transfers. When raised, the bar locks automatically. Does not drop down automatically.

2 lengths and options available.

Colour: white.

Dimensions of mounting bracket : width 11 x height 25 cm. Overall depth when raised : 21.5 cm.

Variantes:

- 60 cm
- 80 cm
