Aston Pro Tilt shower chair

- 822070

- **Tilting chair suitable for small community centers**
- **Equipped with 2 stainless steel hydraulic actuators**

The Aston Pro Tilt chair allows users to sit comfortably in a relaxed position while showering. The secure tilt mechanism is activated by a control at the rear of the chair. The movement is supported by two 100% stainless steel hydraulic actuators, ensuring excellent stability in wet environments.

The chair can be adjusted to three different heights to suit carers. The wheelchair-style footrests are folding, removable and height-adjustable. They are also equipped with rear stoppers to keep the user's feet in place. A calf support is provided, as well as a potty with a removable lid. The comfortable, waterproof foam headrest is adjustable in height and depth. The armrests can be raised.

Overall dimensions : width 61.5 x depth 96 x height 124.5 to 129.5 cm (3 adjustment positions).
