

Height-adjustable washbasin with mirror

- Freestanding unit for quick installation
- Washbasin height adjustable from 71 to 91 cm
- Illuminates simply by moving your hand over it

This unit provides wheelchair users with a solution for washing at the right height. Using the 2-button side control, you can adjust the height of the washbasin and the unit as you wish. The unit consists of an ergonomically shaped washbasin, a large illuminated mirror, 2 side grab rails for support and a chrome steel mixer tap.

The illuminated mirror displays the time and room temperature. It lights up in 3 different colours with adjustable intensity. Switching on and changing colours is as easy as touching your hand.

It has a wall-mounting frame for added security. Supplied with water inlet and outlet hoses. For mains connection (2 sockets).

Mirror dimensions: width 75 x height 80 cm.
Washbasin dimensions: width 75 (internal 50) x depth 55 (internal 40 cm) x height 71 to 91 cm.
Height of support bars: 79 to 99 cm.
Frame dimensions: width 69 x depth 62 cm.
Overall depth 62 cm.
