

## Mucosite vacuum

Portable vacuum for easy cleaning and disinfection. With a suction power of 20L/min or 30L/min, it offers a vacuum range from -0.10 to -0.85 bar. With a battery life of 40 to 50 minutes and a full charge time of 4 to 7 hours, this hoover is practical and efficient.

The Aspira Go is designed to be compact and lightweight, weighing just 2.5 kg. It has an intuitive battery level indicator and charge indicator for easy, convenient use. What's more, it has infinitely variable vacuum settings with a manometer display.

This portable vacuum comes with practical accessories, such as a jar holder and autoclavable 1L or 800ml jars, suitable for use in medical environments.

Reliable and compliant with quality standards, Aspira Go is tested and certified by TÜV Rheinland and complies with EN ISO 10079-1 regulations.
