Ergo Identités range

Ergo plates and cups have been developed by the Identités design office to offer a flawless product with features that are essential for business :

□ Virtually unbreakable material : Made from Copolyester Tritan. This material guarantees rock-solid impact resistance. If dropped, they will not break, even on tiled floors.

5 colours to choose from.

Dishwasher and microwave safe.

Ergo Identités plate

- A scratch-resistant plate
- High, straight sides for easy one-handed eating.
- Sloped bottom allows liquid and semi-liquid foods to stay on one side of the plate, easier to pick up with a spoon thanks to the curved rim at the bottom and straight edges.
- Shape allows plates to be stacked
- Non-slip rims are easy to grip

Total diameter : 24.5 cm, internal diameter: 18.2 cm.

Total height : 3.8 cm.

Height of internal rims : 2.2 to 3 cm.

Weight : 183 g.

Ergo Identités cup

- A very wide handle that can be used by large hands.
- Large cup with graduated markings up to 25 cl, maximum capacity approx. 28 cl.
- Ergonomic grip thanks to its ridged shape.
- Very stable cup: the handle keeps the cup stable on a table.

Bottom/top diameter : 5.5/10 cm.

Height : 10 cm.

Weight : 153 g.
