Pelican shower/toilet chair

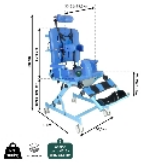

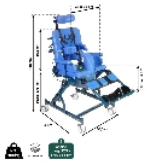

- **Full tilt by actuator from 90 to 135°**
- **Backrest tilts from 90 to 120° in 4 positions**

The Pelican shower/toilet chair allows children to be positioned comfortably during showering or toilet use. In the toilet version, it can be used over a toilet bowl or on its own using the potty provided. All parts that come into contact with the child's body are made of soft, comfortable, and waterproof polyurethane (seat, backrest, abduction pads, side supports, chest support, headrest). The seat width and backrest width can be finely adjusted using the side cushions. The single footrest is also adjustable in height and angle. The headrest is adjustable in depth and height. The overall height is very comfortable for the caregiver. The open backrest allows the use of a safety belt to secure the child during bathing. Full tilt control via an actuator controlled by a rear handle. The backrest can be tilted independently using a safety pin. Equipped with 4 multi-directional wheels with brakes.

2 models available: Size S (3/7 years) and size L (8/10 years).

Aluminum frame, stainless steel fasteners and actuators.
Floor support dimensions (W x D) : 50,5 x 64 cm (Size S) or 50,5 x 69 cm (Size L)
Minimum / maximum lenght : 74 to 125 cm (Size S) or 79 to 141 cm (Size L)
Total height : 110 cm (Size S) or 120 cm (Size L)
Seat (W x D) : 37,5 x 31,5 cm (Size S) or 42,5 x 38,5 cm (Size L)
Seat height : 56/58,5/61 cm
