

OREVIA memory foam pillow

- **Essential for a good night's sleep**
- **Anatomically shaped**
- **Promotes cervical alignment**

Designed to provide optimal neck support whilst maintaining a natural sleeping position. Thanks to its anatomical shape and visco-elastic memory foam, it moulds to the contours of the body to relieve pressure points and promote healthy cervical alignment. Its specially designed shape offers ergonomic support for correct positioning of the head and neck. Its CertiPUR-certified perforated memory foam promotes air circulation for improved thermal comfort throughout the night. Comes with a soft, removable and machine-washable cover. It is OEKO-TEX certified, guaranteed free from harmful substances.

Dimensions: width 55 cm x depth 37 cm.

Terms of purchase: Available exclusively to our professional reseller customers. Only available as a top-up after purchasing a [display stand](#).
