

**REST N ROLL shopping trolley**

- **3 wheel positions: straight, limited angle or multi-directional**
- **Adjustable push bar : optimise seating space**
- **Comfortable: large bag, padded seat and backrest**

The Rest N Roll Shopping Trolley is very safe. To sit, simply flip the push bar to the other side: in this position, the push bar automatically engages the parking brake. The wheels can be set in 3 modes: straight, limited-angle, or fully multi-directional 360°. It features a large bag with access from both sides and a security pocket behind the backrest. The central brake is very convenient.

Overall dimensions: W 57.5 × D 62 × H (push handle) 87–97.5 cm, adjustable in 6 positions
