HEADALOFT headrest

VIDÉO DISPONIBLE JUSTE EN DESSOUS !

- 871032

- **Can be adapted to most existing headrests**

Headaloft is an innovative solution designed for adults or children with disabilities using a wheelchair. Headaloft comfortably and gently keeps the head perfectly upright in a non-restrictive way, allowing the user to turn their head freely. Compatible with all wheelchairs equipped with a headrest and car seats. Easy to install and can be quickly transferred between a wheelchair and any other seat with a headrest. Headaloft comes with 3 head straps of different sizes to fit any user. Made from durable fabric with fire-resistant padding.

CE Class I medical device.
Machine washable at 30°C.
