HEADALOFT 360 full headrest

- 871033

- **Endless adjustment options**

The Headaloft 360 helps individuals who cannot keep their head upright due to medical conditions fully participate in daily interactions. Designed to attach to all existing wheelchairs and comfort chairs, its multiple adjustments ensure a comfortable fit for every user. Once adjusted, the head strap can be gently lowered onto the forehead to keep the head upright. A video demonstrates all adjustment possibilities and highlights the benefits for users.

Made from durable polypropylene and fabric with fire-resistant padding.
This CE Class I medical device is machine washable at 30°C.
