Visco-elastic leg rest

- 855039

- **Reversible for 2 different positions**
- **Removable and washable cover**
- **Visco-elastic foam**

This cushion provides relief for legs when lying down. It is made of comfort foam covered with a thick layer of viscoelastic memory foam that relieves pressure without causing heat build-up.
This cushion is ideally suited to use with the ultra-comfortable backrest, ref. 855038. Removable terry cover, washable at 40°C.

100% Made in France.

Reversible for two different positions.

Dimensions : width 51 x depth 38 x max. height 16 cm.

Date d'impression : 25/11/2026
