

Visco-elastic foam leg rest

- 855039

- **Reversible for 2 different positions**
- **Removable and washable cover**
- **Visco-elastic foam**

This cushion allows you to relieve your legs when lying down. It is made of comfort foam covered with a large layer of visco-elastic memory foam that relieves pressure without overheating.

This cushion is ideal as a complement to our ultra-comfortable backrest rest ref. 855038. Removable terry cover, washable at 40°.

French manufacture.

Reversible for 2 different positions.

Dimensions: width 51 x depth 38 x height 16 cm.
