SOFT bath access chair

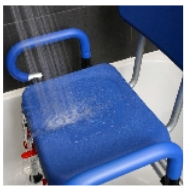

- 812305

- **Soft and comfortable seat, backrest, and armrests**
- **Allows users to bathe while remaining seated**

The Soft Bath Access Chair allows the user to sit outside the bathtub, pivot, and slide safely inside. The soft, waterproof seat and backrest cushions provide comfortable support. The two lift-up armrests clear the space for side entry. Translational and pivoting movement is easily operated by the user. Highly precise leg height adjustment with 16 different positions.

Overall dimensions: W 85/88 × D 50.5/56.5 × H 89.4/108.1 cm.
Weight: 8.1 kg
