HEADALOFT perimeter belt

- M - 871034M

- L - 871034L

- **Fits the headrest on beds and armchairs!**

This perimeter strap allows the Headaloft to be secured to a rigid backrest, such as a moulded-shell chair, an armchair, a lift chair, etc. It consists of a strap that can be adjusted to a wide range of lengths using the wide Velcro strips, and a flat, rigid support in the centre to which the Headaloft is attached.

Available in two lengths depending on the chair used: 155 cm or 240 cm.
Colour: black.
