

Handmaster Plus

- Assortment - 831089
- Firm - 831088
- Medium - 831087
- Flexible - 831086

The Handmaster exercise device for hand rehabilitation offers a range of exercises in three dimensions. It allows users to work not only their fingers but also their wrist. Numerous exercises are possible in flexion and extension due to its soft ball and highly resistant elastic bands.

3 resistance levels: soft (blue), medium (red) and firm (orange).

Set of 3 resistance levels.
