Variable height and optimum safety Available with folding armrestsThe Cloo toilet seat raiser is a solution for elderly people to sit down and stand up from the toilet effortlessly. It consists of a seat raiser and two side armrests. When sitting on a high seat, it is easier to stand up, and the armrests provide a secure and stable support for sitting down and standing up. It attaches directly to the existing toilet bowl and guarantees optimal seating stability. The seat raiser is adjustable: the height can be increased by 6, 10 or 14 cm to suit your toilet bowl. Very easy to clean due to its flat surfaces and removable seat.

Model with or without folding armrests. *(Model without folding armrests is no longer available for sale).*

Width between armrests : 49 cm.
Maximum user weight : 130 kg.
