

Folding changing table and washboard

- 812016

- **For bathing a child**

This folding wall-mounted washboard attaches above an existing bathtub to make it easier to wash children and teenagers. It also serves as a changing table for children with disabilities. Epoxy-coated steel frame. Mold-proof nylon mattress, washable at 120°C.

The legs are available separately : the user can choose long legs to stand on the floor or legs specially designed to rest on the edge of the bathtub.

Dimensions : Length 157 x width 60 cm. Depth when folded 5 cm.

Maximum user weight : 100 kg.

Date d'impression : 02/08/2025
